PROPOSAL TO INCREASE THE PERMANENT CAPACITY OF WOLLASTON COMMUNITY PRIMARY SCHOOL FROM 315 TO 420 PLACES

The school's published admission number will permanently increase from 45 to 60 pupils per year group, although this will be introduced in a phased way according to demand for places.

This proposal has been made in response to the increase in demand for pupil places that is expected to arise as a result from the new housing developments that are planned or under construction in the Wollaston area.
